TERMS AND CONDITIONS

Eligibility and Selection

Students are selected for trips based on exemplary behaviour, community involvement, collaboration skills, suitability for the trip, and the availability of places. Some trips may be restricted to High School students only. Collège du Léman (“CDL”) reserves the right, at its sole discretion, to refuse or withdraw participation for any student who does not meet the expected profile or behavioural standards. Such decisions are final and are not subject to appeal.

Parental Consent

Participation requires the consent of a parent or legal guardian. All required consent forms and documentation must be submitted to CDL by the stated deadlines.

Price Includes

The trip price includes transfers between CDL and the airport or train station, flights and/or train travel, local transportation, accommodation, meals as specified in the itinerary, attraction and activity entry fees, travel insurance, and supervision by experienced CDL staff. Standard airline baggage allowance is typically one checked bag up to 23 kg; however, baggage policies may vary depending on the carrier.

Travel Documents, Visas and Vaccinations

Parents or guardians are solely responsible for ensuring that students possess valid passports and meet all visa, immigration, health and vaccination requirements for the itinerary. Any errors or discrepancies in travel documents must be communicated promptly to CDL. The school-affiliated travel agency may assist with visa applications submitted at least six weeks before departure; however, CDL cannot guarantee visa approval. Required vaccinations may be arranged through the School Health Centre at an additional cost.

Behaviour

Students participating in CDL trips represent the school at all times and are expected to comply fully with the School Behaviour Policy and demonstrate exemplary conduct. CDL reserves the right to send a student home at the parents’ or guardians’ expense in cases of serious misconduct, behaviour deemed unsafe or inappropriate, or failure to follow staff instructions. Failure to meet these expectations may result in repatriation to parents at the parents’ own expense. In addition, any serious or repeated misconduct prior to departure may lead to exclusion from the trip. In such cases, no refund will be issued.

Registration and Payment

Completing the registration form and payment via Zenda constitutes a firm offer to contract with Collège du Léman (“CDL”) for participation in the trip. Registration is therefore considered a confirmed booking request and not an expression of interest. Full payment must be made by credit card at the time of registration using Zenda. A booking is not confirmed until payment has been successfully received. Registration and payment do not guarantee a place. Places are allocated subject to availability and student eligibility. If CDL is unable to offer a place due to capacity limitations or eligibility considerations, the full amount paid will be refunded to the original payment method. Late registrations may incur additional costs or penalties.

Cancellation Fees and Refund Policy

Travel insurance included within the trip price does not cover participant cancellation. Families are strongly advised to obtain additional private insurance to cover cancellation due to illness, injury, or changes in personal circumstances. All cancellations must be submitted in writing to boardingtrips@cdl.ch. Cancellations due to changes in personal circumstances are subject to a CHF 200 administration fee. Refunds are calculated as a percentage of the total trip price.

Cancellations made 120 to 91 days before departure are eligible for an 80% refund.
Cancellations made 90 to 45 days before departure are eligible for a 40% refund.
Cancellations made 44 days or fewer before departure are not eligible for a refund.

Changes, Cancellation or Events Beyond CDL’s Control

Trips and pricing are based on a minimum number of participants. CDL reserves the right to modify or cancel a trip, with reasonable notice, if participant numbers are insufficient or operational circumstances require changes. CDL shall not be liable for compensation, reimbursement, or additional costs arising from events beyond its reasonable control, including but not limited to war or threat of war, terrorism, civil unrest, industrial disputes, severe weather conditions, natural disasters, government restrictions, transport disruption, infectious disease outbreaks or pandemics, border closures, or any other force majeure event. In such circumstances, CDL will make reasonable efforts to recover costs from suppliers where possible, but refunds cannot be guaranteed.
